Re: Administrative Settlement Agreement and Order on consent for Supplemental
Remedial Investigation/Feasibility Study in CERCLA Docket No. 10-2007-0030;
Dispute Resolution

Dear Richard:

Thank you for your letter dated November 1, 2018, regarding resolution of a dispute regarding Appendix A to the Port of Seattle's Final Feasibility Study pursuant to the Order on Consent referenced above. We appreciate EPA's efforts and collaborative approach in resolving this matter with the Port.

The version of Appendix A included with your letter is acceptable to the Port in substance. There were a few lingering technical edits to remove text shown in strike-out font; we are providing an updated version reflecting those edits along with this letter.

Thank you again for your efforts on this matter and we look forward to our continued work together on the East Waterway.

Sincerely,

Elizabeth Black
